Read all instructions before installation. Incorrect installation voids all warranties. Read carton insert for details.

Sweep or vacuum the floor frequently to remove loose dirt and prevent scratching. Wipe up spills immediately. Use walk-off mats at entry ways and protective pads on furniture legs. Never use wax, oil-based cleaners, wet mopping, ammonia, dust treatments or abrasive agents to clean. Cleaning products specifically developed for hardwood flooring are recommended.

Printed room scene and swatches are provided as reference only. Product selection, colour and specifications may change without notice. Product selection should be made from actual wood samples at an authorized dealer for true colour representation.
